

Use the internet to make your newspaper ads really work!

It costs too much to put everything you want to say into your newspaper ads every week, let alone to put up a colour photo. By simply adding an Internet address to your **Private Sale** ad you can make it easy for your potential buyer to see everything they need to know. The agents do it- now you can too!

After listing with us, simply place the following at the end of your newspaper ad:

for more details & a photo go to houses.ontheinternet.com.au/023

We give you your own unique internet address

Benefits:

- Save money – now you can use smaller newspaper ads
- No need for cryptic abbreviations
- Give buyers in distant areas a chance to see what's on offer
- Show buyers a colour photo
- Zoomable street location map (cities only)
- Take enquiries by email as well as phone
- You don't need Internet access to take advantage of this
- Compete with the ads placed by agents
- Economical- basic listing (includes your photo) just \$187 inc GST
- Bonus- potential audience of over 90 million internet users

**We are not agents,
We do not take commissions,
We do not sell property - that's your job**

We are web page designers who want to give you an economical way to improve your ability to sell your house.
